WARNING TO TOURISTS.

Tourists in British Columbia
must be careful of the trophies or
mementos they buy or try to buy. A
new game law prohibits the dealing

of mountain sheep, elk, moose or
caribou or the teeth of elk or wapiti.

plutocrat, “do not bring happiness.”
“Maybe not,” said the Socialist;
“but it must be a heap of satisfac-
tion to have a lot of money and be
able to talk like that to a chap that
hasn't got any.”

TING ON A MEMBER'S HAT.

Incident That Relieves
Tension of Party Feeling in the
British Parliament.

The house is always hugely de-
lighted when a member sits on his
hat, and the incident, though by no
means infrequent, never seems to
pall, says the London Globe.

As a matter of fact the member
who provides such relief as this
at a time when party feeling runs
high does a considerable though un-
witting service. It is a matter of
common observation that the ten-
sion between parties is always sen-
sibly relaxed when one of these lit-
tle incidents has occurred.

The most famous hat incident
took place when the late Mr. Glad-
stone was premier for the third time
and had to intervene on a point of
order after a division had been
called. The rules require that in
such circumstances the member ad-
dressing the chair must do so with
his hat on, and Mr. Gladstone could
not find his hat.

In despair he grabbed that of a
league, which was at least four
too small for him, and the
of the minute headgear
about on Mr. Gladstone's
head was one that those who
will never forget.

A REAL USE FOR KINGS FOUND AT LAST

(Copyright, 1909.)

One of the Rulers of Europe Has Been Employed, Incognito, as a Stevedore.

MISSOURI'S REVENUES GREW.

Jefferson City, Jan. 4.—Dur-
ing Cornelius Roach's first years
incumbency in the office of sec-
retary of state, his department
has shown a revenue producing
ability far in excess of any pre-
vious year. The receipts have
jumped from 142,151.05 in 1908 to
\$296,584.85, or \$154,432.80 more
this year than last. The 1908 fig-
ures include the receipts from
banks and trust companies,
while the larger 1909 business
does not, the license tax and
fees for that class of corpora-
tion the past year going to the
bank department, now separate.

TWICE TOLD TESTIMONY

Monett People Are Doing All They
Can For Fellow Sufferers

Monett testimony has been pub-
lished to prove the merit of Doan's
Kidney Pills. Others in Monett
who suffer from bad backs and
kidney ailments. Last any sufferer doubt
that the cure made by Doan's
Kidney Pills is thorough and last-
ing, we produce confirmed proof—
statements from Monett people say-
ing that the cures they told of years
ago were permanent. Here's a Mo-
nett case:

J. W. Snyder, Harvey House, Mo-
nett, Mo., says: “I was a victim of
kidney complaint for at least ten
years and my back was lame and
pained. The kidney secretions at
times became so frequent in pass-
age and dizzy spells and headaches
were common. About four years
ago, when suffering in that way I
began using Doan's Kidney Pills,
procured at Knapp's Drug Store,
and before long I was completely
cured.”

The above statement was given
in December 1906 and was confirm-
ed by Mr. Snyder on Dec. 9, 1908.
He said: “I can still recommend
Doan's Kidney Pills highly, al-
though ten years have passed
since I used them. I cannot say too
much in favor of this excellent
cure.”

ings are increasing in interest.

Came Near Choking to Death.

A little boy, the son of Chris. D.
Peterson, a well known resident of
the village of Jacksonville, Ia., had
a sudden and violent attack of
croup. Much thick phlegm came up
after using Chamberlain's Cough
Remedy. Mr. Peterson says: “I
think he would have choked to
death had we not given him this
remedy.” For sale by all drug-
gists.

Cured of A Severe Attack of Bron-
chitis by Chamberlain's
Cough Remedy.

“On October 18th, last my little
three year old daughter contract-
ed a severe cold which resulted in
a bad case of bronchitis,” says
Mrs. W. G. Gibson, Lexington, Ky.
“She lost the power of speech com-
pletely and was a very sick child.
Fortunately we had a bottle of
Chamberlain's Cough Remedy in
the house and gave it to her ac-
cording to the printed directions.
On the second day she was a
great deal better, and on the fifth
day, October 23d, she was entirely
well of her cold and bronchitis,
which I attribute to this splendid
medicine. I recommend Chamber-
lain's Cough Remedy unreserved-
ly as I have found it the surest,
safest and quickest cure for colds,
both for children and adults, of
any I have used.” For sale by all
druggists.

Indigestion

Stomach trouble is but a symptom of, and not
in itself a true disease. We think of Dyspepsia,
Heartburn, and Indigestion as real diseases, yet
they are symptoms only of a certain specific
Nerve sickness—nothing else.
It was this fact that first correctly led Dr. Shoop
in the creation of that now very popular Stomach
Remedy—Dr. Shoop's Restorative. Going direct
to the stomach nerves, alone brought that success
and favor to Dr. Shoop and his Restorative. With-
out that original and highly vital principle, no
such lasting accomplishments were ever to be had.
For stomach distress, bloating, biliousness, bad
breath and sallow complexion, try Dr. Shoop's
Restorative—Tablets or Liquid—and see for your-
self what it can and will do. We sell and cheer-
fully recommend

MONUMENTAL TALKS.

The agent for non-resident firms tells you what bargains he is furnishing
in monuments; how in some way he is saving a deal of freight selling work a
wholesale, owning large manufacturing plants, and possibly owns a quarry or two.

But possibly he forgets to tell you what commission or salary he is getting
for selling work, what his traveling expenses are per month; also that he would
be of no use to the firm he works for unless he made them a profit in addition
to these extra expenses; that in any saving of freight or some other expense
it is the local dealer who has the advantage; that the best satisfaction and best
terms in buying monuments are obtained from buying direct from some re-
liable dealer and not through agents; that the best work is not obtained from
a “cheap John” talker, and cheap work is dear at any price.

We do not employ agents. Cramer's monuments are dependable in every
way. Give us a chance to show you what he can do, then if for any reason
you do not think to you best interests to patronize the home dealer we will be
glad to give you the names of other reliable dealers. It is not necessary to
buy through agents and pay the extra salary or commission.
